

# SOLUTION!

IF YOU SAID THIS IS A **SATYR**, YOU ARE CORRECT!

SATYRS WERE MYTHICAL MALE CREATURES THAT ACCOMPANIED GOD DIONYSUS. IN TERMS OF THEIR APPEARANCE, THEY HAD EARS AND TAILS OF A HORSE, BUT FACE, BEARD AND TUMMY OF A HUMAN. IN MANY REPRESENTATIONS, THEY ALSO HAVE LEGS OF A GOAT. IT WOULD ONLY BE APPROPRIATE TO REPRESENT A SATYR IN A CUP OF WINE LIKE THAT, SINCE THEY WERE FOLLOWING DIONYSUS IN HIS WILD NIGHTS ACTING SILLY AND FREE OF RESPONSIBILITIES. WHO COULD BLAME THEM?!
